

Appl No.: 10/027,035

Atty. Dkt.
PC-1053CIP**REMARKS**

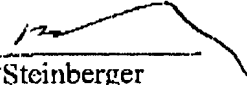

Favorable consideration of this application is respectfully requested.

In regard to the new Claim 66, applicant has added the new Claim 66 to correct inadvertently cancelled Claim 40. Please note, that no new matter has been added.

Under MPEP 706.16, the amendment is needed to point out non-essential subject matter that does not affect the patentability of the invention. The amendment does not require any additional searches or examination of the application. The novelty of the invention is not affected by this amendment. The amendment does not require any more than a cursory review of the record to be entered. Finally, the amendment does not involve any materially added work on the part of the Patent Office to be entered.

Thus, entry of this '312 amendment is respectfully requested. If the Examiner believes that an interview would be helpful, the Examiner is requested to contact the attorney at the below listed number.

Respectfully Submitted;
